

PLAN COMPARE TABLE

As you evaluate Medicare Part D prescription drug plans to find the best one for you, you may want to keep some notes about each plan. The chart below can help you get started, but first, make sure you have all of your pharmacy information, so you can talk to your pharmacist about your options:

My Pharmacy	
My Pharmacist's Name	
Pharmacy Telephone Number	
Pharmacy Address	

Complete this table with information about the plans you research, and make an appointment to talk to your pharmacist about them.

Plan Name	Can I still visit my pharmacist?	Does the plan cover all of my drugs?	Plan's monthly premium	What I will pay for each prescription?	Plan's yearly deductible	What are the customer service hours?
